

Better Hold Me Tonight

Words and Music by David J. Gorsky

Am7 **Bm7** **Em7**
Am7 **Bm7** **Em7**

VERSE ONE

Am7
Looking at the numbers
Bm7 **Em7.**
They don't add up
 Am7
You try to play catch-up
C **B7sus4** **B7**
But to no avail.
 Gmaj7
You can tell right by my frantic pace.
Dm/B **E7**
Every blank stare coming from my face.
 Cmaj7
Just your run-of-the-mill headcase.
Eb/F **F/G** **Em7**
Better hold me to-night.

VERSE TWO

Am7
Can't you see me shaking.
Bm7 **Em7.**
I'm one big fault line.
 Am7
Strugglin' with a deadline.
C **B7sus4** **B7**
Under the gun.
 Gmaj7
In these times, we're feeling most despair
Dm/B **E7**
Gotta look at what we both can share.
 Cmaj7
Oh, we're ready for repair
Eb/F **F/G** **Em7**
Better hold me tonight.

FIRST BRIDGE

Cmaj7 **Bm7** **Amaj7**
Never resting as worries come and go.
 Bm7 **Cmaj7** **Dmaj7** **Emaj7**
But it's your warm and easy towing arms that I understand.
G#m7 **C#7**
Just as planned.
 C9 **B7sus4** **B7**
And I'm no longer mystified that there's some other way.

Just as planned.

VERSE THREE

Am7

Sometimes I get so hasty.

I should be calmer.

I could be that man in armor,

C **B7sus4** **B7**

But just not today.

Gmaj7

Even though I might not find my feet

Dm/B **E7**

In the coldness of these dead end streets,

Cmaj7

It's in you where I'll get the heat.

Eb/F **F/G** **Em7**

Better hold me tonight.

. **Cmaj7**

Everything will be complete.

Eb/F **F/G** **Em7**

Better hold me tonight.

. **Cmaj7**

Movin' from sour to sweet,

Eb/F **F/G** **Em7** **END**

Better hold me tonight.
