# Goose Down Drive

Words and Music by David J. Gorsky

```
Bm7            G       A
Bm7            G       A
```

```
C#m7          G#m7
  In the clearing beyond the trees
  F#m7            G#m7
I indeed was quite impressed.
  C#m7                  G#m7
The grand tour brought me to my knees.
            F#sus4      B
There was so much to digest
```

```
     E7sus4
You're in the house on Goose Down Drive
     F#7sus4
The holy grail so you'll feel alive
Gmaj7
All hodge podge.  Three-car garage.
     G#6             G/A
Everything you need to survive.
          E7sus4
There's Pottery Barn at every corner.
            F#7sus4
You're no longer a Kurt Cobain mourner.
Gmaj7
All cleared out from that circle of doubt
  G#6               G/A
Packed in with a lot of drive.
          C(add2)            Bm7         G       A
You're all set at Goose Down Drive
```

```
C#m7            G#m7
  At Our Lady of Fatima
  F#m7          G#m7
With witnesses all around
  C#m7                  G#m7
  You broke the bank to book the room.
            F#sus4     B
Then a one eighty turnaround.
```

```
  E7sus4
But if you feel that moving under,
      F#7sus4
Will you admit to any blunder?
Gmaj7
Say what you want to your little savants.
G#6         G/A
Who am I to deride?
              E7sus4
After all, you're quick to call it when it falters.
      F#7sus4
One would expect that from mother's daughter.
Gmaj7
Bolster your heart. Don't fall apart.
          G#6             G/A
You've got to be sharp as knives.
```

In moments of sheer distress .
**D**            **G**         **G/B**    **A**
Some Ritalin at recess.

Leave it up to day    care   to     re - vive

What's all going down at Goose Down Drive.

**Bm7**            **F6**               **G**

**Bbmaj7**                   **G**
For the record, I'm merely standing by
**Bbmaj7**                      **D**
In the home bleachers as muddled tempers fly.
   **Bm7**           **Fmaj7/A**
I'll suffocate I swear if stay around too long.
       **C/G**                   **Bm7**        **G**      **A**
I'll have one more beer too many and then I'm gone.

   **C(add2)**

**D**                   **G**         **G/B**   **A**
For God's sake, you could slow down
**D**             **G**        **G/B**   **A**
Before a total breakdown
                  **D**        **G**  **G/B**  **G/D** **A**         **C(add2)**
Don't get me wrong.  I'd be the first to say   you   tried.
  **D**        **G**        **G/B**   **A**
As daddy was a loser,
  **D**        **G**         **G/B**   **A**
A dreamer, and a boozer.
      **D**            **G**    **G/B**  **G/D** **A**
As we watched those pyramid schemes take their dives.
    **C(add2)**           **Bm7**              **D**
He never made it to Goose Down Drive.

   **Bm7**               **D**
You made it.
   **Bm7**              **D**            **Bm7**          **D**             **Bm7**         **D**
You made it.
