

This One

Words and Music by David J. Gorsky

There's no need to falsify.
I'll sing your praise to every angel in the sky.
My, my.
I only go by what I see.
Those radiant eyes that light my forest through the trees.
I'm home free.

VERSE

Ebmaj9 Ab/Eb (rpt)

You know it feels so nice
When you never have to think twice.
I say we get along.
Girl, it's never been as strong as this one.

CHORUS

Cm7 Fm7 Cm7 Fm7 Cm7
Abmaj7 Ab Bb7sus4 Bb7

Nothing extra as a rule
When one brings the spark the other one the fuel.
We're cool.
Then we huddle close and tight
Streaming X-Files on a cold December night.
Just right.

VERSE

Ebmaj9 Ab/Eb (rpt)

The way it feels so nice
When you never have to think twice.
I say we get along.
Girl, it's never been as strong as this one.

CHORUS

Cm7 Fm7 Cm7 Fm7 Cm7
Abmaj7 Ab Bb7sus4 Bb7

To feel again
The forever warmth of a true friend.
Hold my breath and count to ten.
I will always feel revived by this one.

ALT CHORUS

Cm7 Fm7 Cm7 Fm7 Cm7
Dbmaj7 Ab Bb7sus4 Bb7

Enough of days that leave me tired.
Always preaching to the choir.
In you I find everything I admire
We take our walk in the beating sun
And look straight ahead because our life has just begun.
